Happy Anniversary

The meaning of "husband" is house band. All members of the family center in the father. He is the lawmaker, illustrating in his own manly bearing the sterner virtues, energy, integrity, honesty, patience, courage, diligence, and practical usefulness. The father is in one sense the priest of the household, laying upon the altar of God the morning and evening sacrifice... Morning and evening the father, as priest of the household, should confess to God the sins committed by himself and his children through the day. Those sins which have come to his knowledge, and also those which are secret, of which God's eye alone has taken cognizance, should be confessed. This rule of action, zealously carried out by the father when he is present, or by the mother when he is absent, will result in blessings to the family. 2T 701

THOUGHT FOR THE WEEK

The germination of the seed represents the beginning of spiritual life, and the development of the plant is a beautiful figure of Christian growth. As in nature, so in grace; there can be no life without growth. The plant must either grow or die. As its growth is silent and imperceptible, but continuous, so is the development of the Christian life. At every stage of development our life may be perfect; yet if God's purpose for us is fulfilled, there will be continual advancement. Sanctification is the work of a lifetime. As our opportunities multiply, our experience will enlarge, and our knowledge increase. We shall become strong to bear responsibility, and our maturity will be in proportion to our privileges.
