## Sabbath Service

### Text for the Week

**"Who directed the Spirit of the LORD, or [being] his counsellor taught him? With whom took he counsel, and who instructed him, and taught him in the path of judgment, and taught him knowledge, and showed to him the way of understanding?**

**Have you not known? Have you not heard? Has it not been told you from the beginning? Have you not understood from the foundations of the earth?**

**It is he that sits upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretches out the heavens as a curtain, and spreads them out as a tent to dwell in:**

**Lift up your eyes on high, and behold who hath created these [things]... by the greatness of his might," Ps. 40: 13,14, 22, 26**

#### Happy Anniversary

*Peter & Juanne Nurse: Thursday 21st- 20 years  
To gain a proper understanding of the marriage  
relation is the work of a lifetime. Those who marry  
enter a school from which they are never in this life  
to be graduated.. However carefully and wisely mar-  
riage may have been entered into, few couples are  
completely united when the marriage ceremony is  
performed. The real union of the two in wedlock is  
the work of the afteryears. AH 105: 1,2*

#### THOUGHT FOR THE WEEK

*How can the minds of children become better im-  
pressed, and receive a more correct knowledge of God, than  
in spending a portion of their time out of doors; not in play,  
but in company with their parents? Surrounded with nature's  
beautiful scenery, as their minds are associated with God in  
nature, by their attention being called to the tokens of God's  
love to man in his creative works, their young minds will be  
attracted and interested. They will not be in danger of associ-  
ating the character of God with everything that is stern and  
severe. But as they view the beautiful things he has created  
for the happiness of man, they will be led to regard him as a  
tender, loving Father. They will see that his prohibitions and  
injunctions are not made merely to show his power and au-  
thority, but that he has the happiness of his children in view.  
As the character of God puts on the aspect of love, benevo-  
lence, beauty, and attraction, they are drawn to love him.  
You can direct their minds to the lovely birds making the air  
musical with their happy songs, the spires of grass, and the  
gloriously tinted flowers in their perfection perfuming the air.  
All these proclaim the love and skill of the heavenly Artist,  
and show forth the glory of God. Parents, why not make use  
of the precious lessons God has given us in the book of na-  
ture to give our children the correct idea of his character?  
Those who sacrifice simplicity to fashion, and shut them-  
selves away from the beauties of nature, cannot be spiritually  
minded. They cannot understand the skill and power of God  
as revealed in his creative works, filled with awe and rever-  
ence as they see God in nature. {RH, May 30, 1871 par. 3}*
