## Sabbath Service

### 23rd July, 2016

### Text for the Week

Ye shall have a song, as in the night [when] a holy solemnity is kept; and gladness of heart, as when one goeth with a pipe to come into the mountain of the LORD, to the mighty One of Israel.

And the LORD shall cause his glorious voice to be heard, and shall show the lighting down of his arm, with the indignation of [his] anger, and [with] the flame of a devouring fire, [with] scattering, and tempest, and hailstones. Isa. 30: 29: 30

#### Happy Anniversary

*“Love Must Be Tested and Tried.—Affection may be as clear as crystal and beautiful in its purity, yet it may be shallow because it has not been tested and tried... Though difficulties, perplexities, and discouragements may arise, let neither husband nor wife harbor the thought that their union is a mistake or a disappointment. Determine to be all that it is possible to be to each other. Continue the early attentions. In every way encourage each other in fighting the battles of life. Study to advance the happiness of each other. Let there be mutual love, mutual forbearance. Then marriage, instead of being the end of love, will be as it were the very beginning of love.” AHI106*

#### THOUGHT FOR THE WEEK

*We cannot say that any of our camp-meetings are failures; for the people of our faith who attend them are hungry for a better knowledge of the truth, and more of the Lord's blessing. They have the evidences of our faith brought clearly before their minds, and receive additional light at every such gathering. To assemble, and hear the testimonies of brethren and sisters, encourages them. The earnest prayers and humble confessions of those who are wrought upon by the Spirit of God have a softening, subduing influence upon the heart, and all are made better by them. But every ray of light that shines from Heaven upon the people of God will have an influence in removing prejudice. And more than this is accomplished at our camp-meetings: the evidences of our faith are presented with convincing power before a large class of persons who could not be drawn out upon any other occasion. Again, laborers are few, and the field of labor is extending. It is as easy to speak to thousands as it is to hundreds....*

*Says Christ, "Ye are the light of the world;" "ye are the salt of the earth." We hope our brethren will be more liberal, and feel that the truth of heavenly origin should be brought before the world." RH, Nov 7, 1878*
