#### *Happy Anniversary*

*Andrew & Nicola Jordan - Thursday 5th, Jan. 14 yrs.*

Children should not be left to drift into whatever way they are inclined, and to go into avenues which are open on every side, leading away from the right path. None are in so great danger as those who apprehend no danger and are impatient of caution and counsel...

While there may be many to flatter you and enjoy your hospitality without seeking to impart a blessing by right counsel, I must warn you of unseen danger, which will imperil your present and eternal happiness. We are approaching stormy times, and we want to study the true foundation of our faith. We need to search the Lawbook to see if our title to the immortal inheritance is without a flaw. {5T 546.1}

*The professed churches of Christ in this generation are exalted to the highest privileges. The Lord has been revealed to us in ever-increasing light. Our privileges are far greater than were the privileges of God's ancient people. We have not only the great light committed to Israel, but we have the increased evidence of the great salvation brought to us through Christ. That which was type and symbol to the Jews is reality to us. They had the Old Testament history; we have that and the New Testament also. We have the assurance of a Saviour who has come, a Saviour who has been crucified, who has risen, and over the rent sepulcher of Joseph has proclaimed, I am the resurrection and the life. In our knowledge of Christ and His love the kingdom of God is placed in the midst of us. Christ is revealed to us in sermons and chanted to us in songs. The spiritual banquet is set before us in rich abundance. The wedding garment, provided at infinite cost, is freely offered to every soul. By the messengers of God are presented to us the righteousness of Christ, justification by faith, the exceeding great and precious promises of God's word, free access to the Father by Christ, the comfort of the Spirit, the well-grounded assurance of eternal life in the kingdom of God. What could God do for us that He has not done? COL 317*
