Happy Anniversary

Carl & Olive Sorville- Friday, 13th Jan, 7 years

In the creation, God had made her (Eve) the equal of Adam. Had they remained obedient to God--in harmony with His great law of love--they would ever have been in harmony with each other; but sin had brought discord, and now their union could be maintained and harmony preserved only by submission on the part of the one or the other...Had the principles enjoined in the law of God been cherished by the fallen race, this sentence, though growing out of the results of sin, would have proved a blessing to them; but man's abuse of the supremacy thus given him has too often rendered the lot of woman very bitter, and made her life a burden. {AH 115.1}

THOUGHT FOR THE WEEK

The mother is God's agent to Christianize her family. She is to exemplify Biblical religion, showing how its influence is to control us in its everyday duties and pleasures, teaching her children that by grace alone can they be saved, through faith, which is the gift of God. This constant teaching as to what Christ is to us and to them, His love, His goodness, His mercy, revealed in the great plan of redemption, will make a hallowed, sacred impress on the heart The training of children constitutes an important part of God's plan for demonstrating the power of Christianity. {AH 235.3}
