Happy Anniversary

Adrian & Carol Ann Blackman. Tuesday, 18 yrs

Samuel & Sonia Bonas. Thursday, 31 years

It is not pure love which actuates a man to make his wife an instrument to minister to his lust. It is the animal passions which clamor for indulgence. How few men show their love in the manner specified by the apostle: "Even as Christ also loved the church, and gave Himself for it; that He might [not pollute it, but] sanctify and cleanse it; . . . that it should be holy and without blemish." This is the quality of love in the marriage relation which God recognizes as holy. Love is a pure and holy principle, but lustful passion will not admit of restraint and will not be dictated to or controlled by reason. {AH 123.3}

THOUGHT FOR THE WEEK

The measure of divine attention bestowed on any object is proportionate to its rank in the scale of being. The little brown sparrow is watched over by Providence. ..How much more does He care for man, who is the image and glory of God. He longs to see His children reveal a character after His similitude.

All who choose Christ's kingdom of love and righteousness and peace, making its interest paramount to all other, are linked to the world above, and every blessing needed for this life is theirs. In the book of God's providence, the volume of life, we are each given a page. That page contains every particular of our history; even the hairs of the head are numbered. God's children are never absent from His mind. }

Be not therefore anxious for the morrow. 'Matthew 6:34, R. V. We are to follow Christ day by day. God does not bestow help for tomorrow. He does not give His children all the directions for their life journey at once, lest they should become confused. He tells them just as much as they can remember and perform. The strength and wisdom imparted are for the present emergency...'
