### **TEXT FOR THE WEEK**

*Seeing then that we have a great high priest, that is passed into the heavens, Jesus the Son of God, let us hold fast [our] profession.*

*For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.*

*Heb. 4: 14-16*

*Before giving her hand in marriage, every woman should inquire whether he with whom she is about to unite her destiny is worthy. What has been his past record? Is his life pure? Is the love which he expresses of a noble, elevated character, or is it a mere emotional fondness? Has he traits of character that will make her happy? Can she find true peace and joy in his affection? Will she be allowed to preserve her individuality, or must her judgment and conscience be surrendered to the control of her husband? As a disciple of Christ, she is not her own; she has been bought with a price. Can she honor the Saviour's claims as supreme? Will body and soul, thoughts and purposes, be preserved pure and holy? {FLB 257.2}*

#### THOUGHT FOR THE WEEK

*The religion of some is cold and formal, and is not carried into the every-day life. Such professors have earnest work before them to bring themselves into harmony with the mind and will of God. If in sincerity you offer the prayer, 'Create in me a clean heart, O God, and renew a right spirit within me,' the answer is returned, 'A new heart will I give you, and a new spirit will I put within you. Do not rely upon an experience that you had years in the past; it is your privilege to know that you have a living connection with Christ now. When the members individually stand fast in the faith, and have the favor of God, the church will have a power that she does not now possess. Importance of Attending Business Meetings. The business meetings held in connection with our annual gatherings do not receive the attention which their importance demands. We are sorry this is so; for through them our brethren and sisters might learn of the present standing of the cause, and of the plans laid for its advancement. Every one who loves the truth ought to be interested in these meetings, to attend them when it is possible. {RH, April 29, 1884}*
