*Jesus is our example. . . It is in His home life that He is the pattern for all children and youth.*

*His mother was His first human teacher.*

*From her lips and from the scrolls of the prophets, He learned of heavenly things. . . His intimate acquaintance with the Scriptures shows how diligently His early years were given to the study of God's Word. . . From His earliest years He was possessed of one purpose; He lived to bless others. {FLB 263.3}*

#### THOUGHT FOR THE WEEK

*There is perfect order in heaven, perfect concord and agreement. If parents so neglect to bring their children under proper authority here, how can they hope that they will be considered fit companions for the holy angels in a world of peace and harmony?*

*Those who have had no respect for order or discipline in this life would have no respect for the order which is observed in heaven. They can never be admitted into heaven, for all worthy of an entrance there will love order and respect discipline. The characters formed in this life will determine the future destiny. When Christ shall come, He will not change the character of any individual. . . Parents should neglect no duty on their part to benefit their children. They should so train them that they may be a blessing to society here and may reap the reward of eternal life hereafter. {CG 229.4}*
