#### Happy Anniversary

*Oswald & Flo Newton > 27 yrs. Sabbath 7th Apr. The Sabbath school affords to parents and children a precious opportunity for the study of God's Word. . . . Parents, set apart a little time each day for the study of the Sabbath school lesson with your children. . . . Parents, as well as children, will receive benefit from this study. Let the more important passages of Scripture connected with the lesson be committed to memory, not as a task, but as a privilege. . .*

*Observe system in the study of the Scriptures in your families. Neglect anything of a temporal nature; . . . but be sure that the soul is fed with the bread of life. {FLB 271.4}*

#### THOUGHT FOR THE WEEK

*In our endeavors to form characters after the divine similitude, we shall meet with trial. There will be crosses to be borne, but in these experiences we may have the sympathies and help of heavenly angels. They are sent forth to minister unto them that shall be heirs of salvation. My brethren and sisters, lift the cross of self-denial and self-sacrifice. Cling closely to the precious Saviour. Let your daily life bring honor to God. By your words and your works reveal that you have one great object in view. Christ is soon coming, and souls are perishing in ignorance and sin. Let it be yours to give these souls the message of salvation. When the purifying, refining influence of the truth is felt in our own lives as it should be, we shall reveal in our works the fruits of righteousness. {RH, April 16, 1908}*

*Probationary time will soon close. We have but little longer in which to make known the truth for this time. That which we do must be done quickly, or it will be forever too late. Souls are perishing all around us without a knowledge of God and his last message of mercy to men. Now is our time to leave no opportunity unimproved to seek and to save the lost...Brethren, labor on, while the day lasts. If we refuse to do the work to which our knowledge of present truth calls us, who will do it?*
