Michael & Shirland Willins: Friday, 33 Years*

*The two who unite their interests in life will have distinct characteristics and individual responsibilities. Each one will have his or her work, but women are not to be valued by the amount of work they can do as are beasts of burden. The wife is to grace the family circle as a wife and companion to a wise husband. At every step she should inquire, "Is this the standard of true womanhood?" and, "How shall I make my influence Christlike in my home?" The husband should let his wife know that he appreciates her work. {AH 11:1}*

### THOUGHT FOR THE WEEK

*Just before leaving His disciples, Christ once more plainly stated the nature of His kingdom. He recalled to their remembrance things He had previously told them regarding it. He declared that it was not His purpose to establish in this world a temporal kingdom. He was not appointed to reign as an earthly monarch on David’s throne...Their work was to proclaim the gospel message. {AA 30.1}*
