Happy Anniversary

The ideas of courtship have their foundation in erroneous ideas concerning marriage. They follow impulse and blind passion. The courtship is carried on in a spirit of flirtation. The parties frequently violate the rules of modesty and reserve and are guilty of indiscretion, if they do not break the law of God. The high, noble, lofty design of God in the institution of marriage is not discerned; therefore the purest affections of the heart, the noblest traits of character are not developed. {AH 55.1}

THOUGHT FOR THE WEEK

Grains, fruits, nuts, and vegetables constitute the diet chosen for us by our Creator...God has furnished man with abundant means for the gratification of an unperverted appetite. He has spread before him the products of the earth--a bountiful variety of food that is palatable to the taste and nutritious to the system. Of these our benevolent heavenly Father says we may freely eat. Fruits, grains, and vegetables, prepared in a simple way, free from spice and grease of all kinds...the most healthful diet. They impart nourishment to the body and give a power of endurance and a vigor of intellect that are not produced by a stimulating diet. {CG 380.2}
