THOUGHT FOR THE WEEK

We are standing on the threshold of great and solemn events. Many of the prophecies are about to be fulfilled in quick succession. Every element of power is about to be set to work. Past history will be repeated; old controversies will arouse to new life, and peril will beset God's people on every side. Intensity is taking hold of the human family. It is permeating everything upon the earth. . .

Angels desire to look into the truths that are revealed to the people who with contrite hearts are searching the word of God and praying for greater lengths and breadths and depths and heights of the knowledge which He alone can give. {TM 116.2, 4}
