Reminders

Persons wishing to be married by Elders of TFFG are asked to give at least six months’ notice and to consult with the officiating Elder(s) before finalizing a date.

THE ONLY PERSONS IN THE PRINTERY DURING SERVICES SHOULD BE THOSE WORKING WITH THE PA/IT SYSTEMS

Focus On the Family/Anniversaries

He who gave Eve to Adam as a helpmeet, performed His first miracle at a marriage festival...Thus He sanctioned marriage, recognizing it as an institution that He Himself had established. He ordained that men and women should be united in holy wedlock, to rear families whose members, crowned with honor, should be recognized as members of the family above. MH 356.1

Christ honored the marriage relation by making it also a symbol of the union between Him and His redeemed ones. Christ “loved the church, and gave Himself for it; that He might sanctify and cleanse it; ... that it should be holy and without blemish.” ... Ephesians 5:25-28. MH 356.3

The family tie is the closest, the most tender and sacred, of any on earth. It was designed to be a blessing to mankind. And it is a blessing wherever the marriage covenant is entered into intelligently, in the fear of God, and with due consideration for its responsibilities. MH 356.4

The church of Christ is organized for service. Its watchword is ministry. Its members are soldiers, to be trained for conflict under the Captain of their salvation. Christian ministers, physicians, teachers, have a broader work than many have recognized. They are not only to minister to the people, but to teach them to minister. They should not only give instruction in right principles, but educate their hearers to impart these principles. Truth that is not lived, that is not imparted, loses its life-giving power, its healing virtue. Its blessing can be retained only as it is shared. MH 148.4

The monotony of our service for God needs to be broken up. Every church member should be engaged in some line of service for the Master. Some cannot do so much as others, but everyone should do his utmost to roll back the tide of disease and distress that is sweeping over our world. Many would be willing to work if they were taught how to begin. They need to be instructed and encouraged. MH 149.1

Every church should be a training school for Christian workers. Its members should be taught how to give Bible readings, how to conduct and teach Sabbath-school classes, how best to help the poor and to care for the sick, how to work for the unconverted. There should be schools of health, cooking schools, and classes in various lines of Christian help work. There should not only be teaching, but actual work under experienced instructors.
