Focus On the Family & Anniversary

“ Every Christian family should illustrate to the world the power and excellence of Christian influence. . . . Parents should realize their accountability to keep their homes free from every taint of moral evil. Holiness to God is to pervade the home. . . . Parents and children are to educate themselves to co-operate with God. They are to bring their habits and practices into harmony with God’s plans. The family relationship should be sanctifying in its influence. Christian homes, established and conducted in accordance with God’s plan, are a wonderful help in forming Christian character. . . . Parents and children should unite in offering loving service to Him who alone can keep human love pure and noble. The first work to be done in a Christian home is to see that the Spirit of Christ abides there,,” AH 19

THOUGHT FOR THE WEEK

Another year now opens its fair unwritten pages before you. The recording angel stands ready to write. Your course of action will determine what shall be traced by him. You may make your future life good or evil; and this will determine for you whether the year upon which you have just entered will be to you a happy new year. It is in your power to make it such for yourself and for those around you. {ML 5.2}

Let patience, long-suffering, kindness, and love become a part of your very being; then whatsoever things are pure and lovely and of good report will mature in your experience. {ML 5.3}

Angels of God are waiting to show you the path of life. . . . Decide now, at the commencement of the new year, that you will choose the path of righteousness, that you will be earnest and true-hearted, and that life with you shall not prove a mistake. Go forward, guided by the heavenly angels; be courageous; be enterprising; let your light shine; and may the words of inspiration be applicable to you—"I write unto you, young men, be-cause you are strong...overcome the wicked one.
